EXPERIENCE

Comoditâ Store- I worked for 2 years in a furniture store on Comoditâ Interiores, basically i helped on social media marketing and support, then I start to do furniture deliveries.

Company Elements - I've always studied about healthy foods and food supplements too, so basically in March 2020 I decided to create an online store for Supplements called Elements.

OmegaSat Store - Simultaneously working in an company specializing in electric gate motors and security automation, I joined in August 2019, and currently in until today!
